

Because of Christmas Day,
Jesus gives to me

2017 has been another busy year! Kris' mom, Carol Wilson, died Dec 28 so Kris spent most of January/February getting her estate settled. The family gathered in Spokane in March for a memorial.

February 26 was our 45th anniversary! We celebrated with a week on Kauai. Did a little hiking, enjoyed a luau dinner and show, and enjoyed just resting for a few days. Ken got in several rounds of golf and Kris found a quilt show.

Much to the delight of the neighborhood children, the church put in a small playground in the spring. It was great for Vacation Bible School!

2017 is the centennial year for the church - 100 years of ministry in the Canyon! We celebrated with a gathering of old photos and memories and a picnic in August. We were amazed at the 152 people -including Village Missions Director Brian Wechsler -who gathered to help us celebrate!

Our family continues to do well. It was fun to have both Brian and Karyn with us in March. It is a rare treat to have the family all together. Unfortunately, Brian's wife, Sharon, was unable to join us. Sonora turned 16 in June & is a junior in high school. Ken's mom is still in Spokane. We try to get over there once a month to help her as her dementia worsens.

Wishing you a Merry Christmas and a joy-filled 2018!
Ken & Kris
